Minister Ian Hunter:

I would ask that the government leave the Dog Fence board as it is.
The Fence is vital to sheep producers and other native animal protection in this state.

The boards are run voluntarily by Pastoralists and Industry shareholders. We oversee the maintenance and replacement (when necessary) of the fence. South Australia's cost per kilometre to maintain the fence is less than a quarter of the money spent in N.S.W and QLD.

We run it very lean.

Our local board are all locals who are committed to maintaining the dog fence.

The board system works well for us and we see no need to cancel it.

Yours Faithfully,

David Henderson
