Dear Premier Weatherill,

Thank you for your letter dated 8 July 2014 regarding further information on the recent decision to reform South Australian government boards and committees.

The South Coast Health Advisory Council had an initial discussion of this communication at our meeting on 15 July 2014 and will thoroughly consider the issues and options you have raised further. More detail of alternative plans to be suggested by your department would contribute to more positive discussion. A formal response to your letter will be sent to your office in due course.

Yours sincerely

Deane Michelmore
President
South Coast Health Advisory Council.
