Hon Ian Hunter, MP
Minister for Sustainability, Environment and Conservation
9th Floor Chesser House
91- 97 Grenfell Street
ADELAIDE SA 5000

Dear Minister Hunter,

I am writing to you as the chairman of the Frome Local Dog Fence board. We consider the abolishment of the Local Dog Fence Board would take the local knowledge away from the efficient running of the Dog fence.

In supporting our continuing present form our points are;

- 1) Board members are all volunteers, so we do not receive any sitting fees or travel expenses for our once a year meeting. So no cost to the Government.
- 2) The Local Dog Fence Board owns the dog fence.
- 3) Local Dog Fence Board employs the Fence patrolman who checks the fence.
- 4) We are at the frontline in maintaining the fence for the benefit of the livestock industries below the fence.
- 5) Preventing wild dogs getting to towns and cities therefore causing problems in the future as this is arising elsewhere.
- 6) To stop wild dogs breeding with more aggressive and stronger breeds which will create a greater problem in the future.
- 7) There are no alternatives that substitute the local board which consists of local people on the board with local knowledge of what the problems we are experiencing. If the board is from away from the area they will not have first-hand knowledge of the local issues.

Please contact as necessary on any of the issues immediately.

Yours Faithfully,
Richard Treloar.

Chairman Frome Local Dog Fence Board.
