Dear Premier *Jay*

Board and Committee Update

I write further to my previous letter regarding your announcement to abolish all boards and committees and our discussions at the recent Premier's State Local Government Forum.

I was pleased to hear your comments that the Premier's State Local Government Forum is outside the boards and committees review and that it will continue. I look forward to further working with you in this a productive and collaborative forum.

I understand that the State Emergency Management Committee which you are directly responsible for has been identified in the category of being 'reclassified'. I am keen to understand your proposals on the future work of this Committee. We believe it provides a valuable input into the management of emergency situations and issues in South Australia.

I look forward to our continuing conversations regarding the Forum and the work of the State Emergency Management Committee.

Kind regards

Mayor David O'Loughlin
