Dear Premier,

**Re: Government Boards and Committees**

At the recent Riverland Local Government Forum held between the three Riverland Councils the news release dated 8<sup>th</sup> July "Reforms to support business, remove red tape and grow jobs" was discussed. The news release stated that a letter was sent to the chairs of all Government boards and committees advising them of the reform.

Our Councils are concerned of the impact that this may have on the region, and would like to have the opportunity to provide input towards this process. Therefore, it is requested that a list of all of the boards and committees falling within the Riverland region that are potentially affected by this reform be forwarded to us for our information.

Yours sincerely,
