

# Department of the Premier and Cabinet

## Strategic Framework 2019-22

### Vision

The Premier and the Cabinet can fulfil their objectives for South Australia and deliver outcomes for the South Australian community.

### Purpose

As the central agency for the South Australian public sector, DPC provides a unique advisory role and whole of government perspective to priority issues for the Premier and the Cabinet.

We work in partnership and collaborate with public sector agencies to ensure integrated approaches to policy, projects and program delivery.

### Strategic Goals

1. Lead whole of government policy, major initiatives and projects that deliver outcomes in line with the Premier and the Cabinet's priorities
2. Drive strong policy outcomes across government portfolios through accurate, timely and evidence based advice, collaboration and coordination
3. Deliver programs and services within the Premier's portfolio responsibilities that support South Australian communities
4. Support the Premier to lead a well administered, Cabinet-led government
5. Be a high performing and effective central agency
