Purpose

DPC is the lead agency supporting the Premier and Cabinet by developing policy and delivering programs to realise the Government's vision for South Australia.

Values

The Public Sector Values underpin everything we do and guide our behaviours.

- Trust
- Service
- Professionalism
- Respect
- Collaboration and Engagement
- Honesty and Integrity
- Courage and Tenacity
- Sustainability.

Strategic goals

- Policies and programs deliver more jobs, lower costs and better services.
- Lead whole of government responses to strengthen South Australia's economy and cultural prosperity.
- Efficient, open, accountable and collaborative government.

The department:

- Delivers specialist policy advice to the Premier
- Enables Cabinet to be an effective decision-making body
- Has overarching responsibility for Commonwealth-state and international diplomatic relations
- Provides a single agency focus in delivering core functions for:
 - Aboriginal community support and advice
 - promoting Aboriginal Reconciliation and employment diversity
 - Multicultural affairs support and advice
 - leading and developing the state's strategic agenda across the arts, cultural and creative sector delivering funding, support, advice and coordination to the sector
 - caring for the state's collections, buildings and other assets within the arts, cultural and creative sector
 - veteran support and services.
- Leads whole of government reforms and initiatives to drive the Premier's vision for South Australia
- Drives key government initiatives which are of importance to the state at any time
- Leads policy reform and delivers effective platforms for an across-government strategic approach to communications, community engagement, cyber security, digital technology and infrastructure, and partnerships with China and France to maximise investment and benefit for the state.

Success will continue to be underpinned by the collaborative partnerships we build across government and across sectors, and by engaging with communities and business in exploring innovative solutions.
